MEMORANDUM

TO: DC Board of Zoning Adjustment

FROM: Sam Zimbabwe
Associate Director 

DATE: June 23, 2014

SUBJECT: BZA Case No. 18789 – 3918 Jenifer Street, N.W. (Square 1753, Lot 16)

APPLICATION

Pursuant to Title 11 DCMR §§3104.1 Richard Honig (the Applicant) seeks a special exception for a rear screened porch addition to an existing one-family detached dwelling under §223 not meeting the rear yard (§404) requirements in the R-1-B District at premises 3918 Jenifer Street, N.W. (Square 1753, Lot 16)

RECOMMENDATION

The District Department of Transportation (DDOT) has reviewed the Applicant's request and determined, based on the information provided, the proposal will have no adverse impacts on the travel conditions of the District's transportation network. DDOT has no objection to the approval of the requested special exception.

This review pertains only to zoning issues and does not consider potential impacts to District owned public space. DDOT's lack of objection to the zoning special exception should not be viewed as an approval of public space elements. If any portion of the project has elements in the public space requiring approval, the Applicant is required to pursue a public space permit through DDOT's permitting process. The Applicant may refer to the District of Columbia Municipal Regulations and DDOT's Design and Engineering Manual for specific controls of public space. A summary can be found in DDOT's Public Realm Design Manual.
