re: 2724 11TH ST NW

Dear Property Owner:

Congratulations! Your property at **2724 11TH ST NW** was recently inspected by the Department of Consumer and Regulatory Affairs (DCRA) Proactive Inspections Unit and found to be in compliance with all applicable building codes.

Your property will now be placed on a five-year inspection cycle. We have included your property's Certificate of Compliance and two stickers for you to place on your property if you choose to do so.

Please be aware that the Certificate of Compliance does not prevent tenants from requesting individual inspections for building code violations in individual units.

Thank you for your cooperation in the Proactive Inspections process and for maintaining your building in a clean and safe manner.

If you have any questions about the Proactive Inspections process, please call (202) 481-3524 or consult the DCRA website at: <http://dcra.dc.gov/DC/DCRA/Inspections/Proactive+Inspections>.
