- School security is posted to assist students with morning and evening transition to and from PSDC. Security also keeps students from loitering between the hours of 7:00am – 9:30 am & 4:00 to 6:00 pm. PSDC's policy is that if students are waiting for pick-up to wait inside to prevent congestion.
- PSDC is a Private Christian based School. We pride ourselves in our students having the proper discipline and self-control in public.
- To assist with an easy drop-off and pick-up, we ask our parents to either use Allison street entrance or through the alley way by entering Allison Street and exiting either Buchanan Street or 15<sup>th</sup> Street, so there is no congestion (Security visible from 7:00am – 10am & 4:00 to 6:00 pm).
