Mr. Moy:

I just finished speaking to Mr. Dyson, my present agent and he gave me two options that are still available.

I have chosen the option of withdrawing my application at this time.

It is my understanding according to the regulations 3113.10, I can resubmit in 90 days. Today is Dec. 23rd, I take for granted that I can resubmit on March 23rd or 24th, 2015?

I profusely apologize for missing the two hearings, could you please confirm the March dates I suggested for resubmittal and also give me the email or phone no. you have been trying to communicate with me on. Thank you for your patience and understanding.

Sincerely

Joseph Teshome
