**Re: ANC 1C Request for 30 Day Postponement for BZA Application No. 18814 (2341 Ontario Road NW).**

Dear Board of Zoning Adjustment:

At a duly-noticed public meeting held on September 3, 2014, with a quorum of seven out of eight Commissioners present, Advisory Neighborhood Commission 1C voted 6-1-0 to authorize me to send a letter to the BZA requesting a thirty-day postponement of the hearing in the above-referenced Application number. That matter is currently scheduled for a hearing on September 16, 2014. The ANC requests this extension to consider this action further, and asks that the project be reset for a hearing in October after ANC 1C's next scheduled meeting on October 1, 2014.

Sincerely,

/s/ Jimmy R. Rock

Jimmy Rock

Commissioner, ANC 1C08
