Re: BZA Zoning Application
Application of Timothy and Erin Barley, 1229 F Street NE

Dear Board of Zoning Adjustment:

With this application we are proposing a rear two story addition with a first floor garage and office, and a second floor apartment. The addition will be connected to the main house with a covered walkway.

The existing property is a single family dwelling in the R-4 zone, currently conforming for lot coverage. The proposed addition will decrease the rear yard setback to 0.0', requiring relief from 404.1.

Sincerely,

Jennifer Fowler
