Dear Mr. Jordan

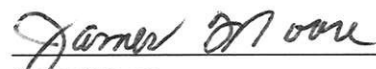

My name is James Moore and I currently reside adjacent to 2737 Sherman Ave NW at 786 Girard Street NW.

Sam Jahanbeen, Managing Member of the Hilltop Restaurant has informed me of their proposed Use Variance and plans for opening a restaurant at the above location.

Mr. Jahanbeen has made available a copy of their BZA Case filing (application 18838) and has provided me with a copy of their Settlement Agreement with our ANC outlining trash collection and operating hours for their proposed restaurant.

This letter is to confirm that I am in support of their request and proposed plans to the BZA.

Regards,

James Moore
