Re: BZA Application of Chris & Robyn Pashby, Case 18843
5526 39th St NW

We are the owners of 3900 McKinley St NW which is an adjacent property to 5526 39th St NW. Our neighbors, Chris & Robyn, are seeking a special exemption of the DC zoning laws to build an addition that does not meet the current 8 foot side yard setbacks.

We are aware of their plans for the proposed addition that have been submitted with the application to the BZA and we have no objection to the requested special exemption.

Sincerely,

George & Carol Georgiev
