Motion to Continue

Party: Milton Bruce Meredith

Reasons for the Board of Zoning Adjustment to grant my motion to continue past November 17, 2015:

- I am a party to this case. The entire back of my southern facing property abuts the north side of the Pashby property. Because of the unique positioning of our properties, the proposed construction would negatively affect my property more than it does others. I learned of the proposed construction by email from Chris Pashby on October 11, 2015, about one month prior to the November 17 scheduled BZA hearing date.
- I am completely opposed to the Pashby request for this Special Exemption. I am seeking counsel to assist me in this matter and need more time to protect my interests at a November 17, 2015 hearing.
- The parties in this Case have begun discussions with Members of the ANC to explore possible resolution of their differences. More time is needed for those efforts.
