Re: Application 18850

Dear Mr. Vargas,

We are writing in support of Parkmont's School's application to continue its special exception for the operation of a private school at 4842 16<sup>th</sup> St., NW. The present exception allows the school to operate with 65 students, 12 faculty members and three parking spaces.

This special exception has been granted in 1989, 1994, 1999 and 2004. We believe that Parkmont has been respectful of its neighbors and has operated within the parameters of its current variance and special exception. We support Application 18850.

Sincerely,

  
Susan and Dixon Butler
