Re: Parkmont School, Inc. BZA Application No. 18850

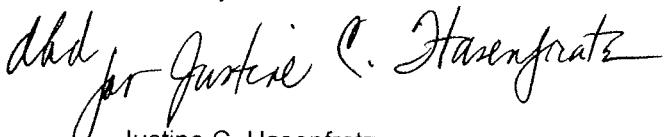

Dear Robert S. Wilkinson Trustees:

As you may be aware, our client Parkmont School, located at 4842 16th Street, NW, submitted an application to the District of Columbia Board of Zoning Adjustment for a Variance/Special Exception (BZA Application No. 18850). You should separately receive notice of that application from the BZA. We are writing at the BZA's request to let you know that the Advisory Neighborhood Commission was incorrectly identified in Parkmont School's initial application. As a result, the ANC for Parkmont School in the BZA notice you receive should be identified as ANC 4A08 rather than ANC 4C02. The ANCs have been separately notified and are aware of the application.

If you choose to submit a letter regarding the BZA Application, Parkmont School requests that you forward a hard copy to the school (to the attention of Ron McClain or Christy Halvorson Ross), to be presented to the ANC then uploaded to the BZA's online system on your behalf.

If you have any questions, please do not hesitate to contact Ron McClain or Christy Halvorson Ross at (202) 726-0740, or contact me using the information below.

Re: Parkmont School, Inc. BZA Application No. 18850

Dear The Parkmont School, Inc.:

As you may be aware, our client Parkmont School, located at 4842 16th Street, NW, submitted an application to the District of Columbia Board of Zoning Adjustment for a Variance/Special Exception (BZA Application No. 18850). You should separately receive notice of that application from the BZA. We are writing at the BZA's request to let you know that the Advisory Neighborhood Commission was incorrectly identified in Parkmont School's initial application. As a result, the ANC for Parkmont School in the BZA notice you receive should be identified as ANC 4A08 rather than ANC 4C02. The ANCs have been separately notified and are aware of the application.

If you choose to submit a letter regarding the BZA Application, Parkmont School requests that you forward a hard copy to the school (to the attention of Ron McClain or Christy Halvorson Ross), to be presented to the ANC then uploaded to the BZA's online system on your behalf.

If you have any questions, please do not hesitate to contact Ron McClain or Christy Halvorson Ross at (202) 726-0740, or contact me using the information below.

Sincerely,
