SUBJECT Re: ANC for Applicant Parkmont School

Applicant Parkmont School, Inc. (Parkmont School) is located at 4842 16th Street, NW, which is on the border between ANC 4C02 and ANC 4A08. As discussed with Mr. Stephen Varga, following submission of BZA Application No. 18850, our client Parkmont School contacted the commissioners for both ANC 4C02 and ANC 4A08 and confirmed their understanding that the school is located within ANC 4A08.

Because BZA Application No. 18850 incorrectly identified ANC 4C02 as the relevant ANC, at the request of Mr. Varga and BZA, Parkmont School has since provided a copy of its BZA Application to ANC 4A08 commissioner Gale Black, and has also informed the neighbors of Parkmont School in a 200-foot radius of the ANC correction. Relevant correspondence will be separately uploaded to the IZIS system.

The BZA application had a typographical error on the phone number for Parkmont School, Inc. The correct phone number is (202) 726-0740.
