Re: BZA Case Nos. 18852 & 18853 – Applicant’s Request for Continuance

Dear Chairman Jordan and Members of the Board:

On behalf of the Applicant in the above-referenced cases, we hereby request a continuance of the public hearing scheduled for November 5, 2014. We request a new hearing date as soon after November 5 as possible.

The Applicant continues to work with ANC 2F on a few outstanding issues discussed during the ANC’s last Community Development Committee (CDC) meeting. The CDC requested that the Applicant return to their next meeting on October 29, 2014. Unfortunately, the ANC would not be able to consider the CDC’s recommendation before the scheduled hearing date of November 5 because the ANC’s meeting is the same night. Therefore, the Applicant requests a continuance of the hearing so that the ANC can consider the CDC recommendation before the BZA hears the application.

Should you or your staff have any questions, please do not hesitate to contact me. Thank you for your consideration of this matter.

Sincerely,

Cary Kadlecek
