Re: **BZA Application Nos. 18852 & 18853 – Request to Consider Applications Simultaneously**

Dear Chairman Jordan and Members of the Board:

On behalf of the applicant in the above-referenced applications, we request that the Board hear and consider these applications together. Each application is for a separate apartment building on a separate lot, but both applications are for the same project. The two buildings will be connected and will function as one apartment community sharing amenities, a lobby, staff, and other common elements. Accordingly, the Board will be able to best evaluate the project if the applications are considered together.

Should you or your staff have any questions, please do not hesitate to contact me.

Sincerely,

Cary R. Kadlec
