RE: Case No. 18855

Dear Members of the Board:

We write to convey our strong support of Martha and David Dantzig's renovation project (BZA Case No. 18855). Our home is directly next door to the Dantzigs. We have met with Martha and David, have reviewed their plans, and fully support their undertaking.

Martha and David are exceptional neighbors and significant assets to the Capitol Hill community. Their involvement in and support of community enhancement and enrichment efforts is enviable. This type of economic investment in our neighborhood is exactly what our community needs to continue to thrive in our recovering economy.

We are privileged to be their neighbors and strongly support this project in every way. We urge the Board to approve BZA Case No. 18855. Should you have questions or require additional information, please do not hesitate to contact us.

Thank you for your favorable consideration of our endorsement.

Sincerely,

Elizabeth A. Roberts
