Re: **BZA Appeal No. 18857 – Letter in Support of DCRA's Motion to Hold Decision in Abeyance**

Dear Chairman Jordan and Members of the Board:

American University (“AU” or “University”) hereby files this letter in support of DCRA’s Motion to Hold Decision in Abeyance, dated December 11, 2014. AU agrees with DCRA’s statement that delaying a decision in BZA Appeal No. 18857 will not harm any of the parties in this case and it will allow for a thorough resolution of the issues on their merits. Therefore, AU supports DCRA’s request that the Board delay its decision in BZA Appeal No. 18857 until the Zoning Commission has decided ZC Case No. 11-07C.

Please feel free to contact either of the undersigned if you have any questions or comments.

Sincerely,
GOULSTON & STORRS, PC
