Re: BZA Application for Approval of a Variance for
Property at 1330 5th Street NW (Square 480, Lot 842)

Dear Board of Zoning Adjustment:

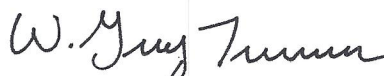

As tenants at 1330 5th St, NW, our landlords, Justin and Margaret Kitsch of 1330 5th Street, NW, are seeking an area variance as to the District of Columbia zoning regulations to build a deck at the rear of their row house. They have shared the drawings of the proposed addition that will be submitted with their application to the BZA.

We have reviewed the materials and support the proposal. We recommend that BZA grant the request for a variance.

Sincerely,

Catherine Abbott
