Re: BZA Case No. 18867 (1802 D Street, NE)

Dear Mr. Moy,

At a regularly scheduled and properly noticed meeting¹ on November 13, 2014, our Commission voted 7-0-0 (with 5 Commissioners required for a quorum) to support the Applicant's request for a variance from the off-street parking requirements set forth at § 2101.1. The applicant seeks the requested relief to permit the use of the premises as a child-care center.

The Commission supports granting the requested variance because strict application of the above-referenced zoning requirement would result in peculiar and exceptional practical difficulties and hardship to the applicant and because granting the requested relief will not result in substantial detriment to the public good or substantially impair the intent, purpose, and integrity of the zoning plan. The Commission further bases its support on the Applicant's having agreed: 1) not to permit the vehicles of employees or parents to double-park or idle outside the premises; 2) not to permit the vehicles of employees or parents to block the alley behind the premises; 3) to require that the vehicles of employees or parents park only in legal parking spaces; 4) to require that parents hold the hands of their children when crossing the street; and 5) to notify the ANC and agree to abide by further restrictions to be determined by the ANC in the event that more than eight children and/or employees are regularly arriving or departing by car.

Please be advised that Nicholas Alberti and Andrew Hysell are authorized to act on behalf of ANC 6A for the purposes of this case. I can be contacted at 6A04@anc.dc.gov.

On Behalf of the Commission,

Nicholas Alberti
Chair, Advisory Neighborhood Commission 6A
