Re: **Letter in Support of BZA Application No. 18872 – 510 Independence Ave.
NW**

Dear Chairperson Jordan and Members of the Board:

I am an adjacent neighbor and am writing to say I have no objection to the revised application for zoning relief at 510 Independence Avenue, NW (the "Property") submitted by Kami Quinn and Maurion Knight (the "Applicant") to allow a rear addition to their home. I have met with applicants and the architectural plans for the 3rd story scheme has been explained to me. They resolved concerns that were raised about the original plan.

I do not think it will visually intrude upon the character, scale, or pattern of the houses in our neighborhood.

I urge the Board to approve the application as proposed. Thank you for the opportunity to provide feedback.

Sincerely,
