Re: BZA Case No. 18876
23 46th Street, S.E. (Square 5346, Lot 4)
Request for Postponement of Hearing

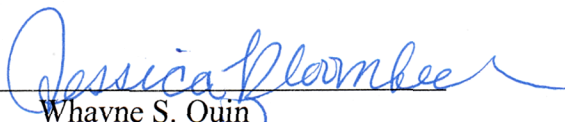

Dear Board Members:

On behalf of Habitat for Humanity of Washington, D.C., as Applicant in the above referenced case, this letter is to request a postponement of the public hearing scheduled for December 9, 2014. The Applicant has had preliminary discussions with the community and is revising its plans based on this input. Staff advised that the hearing will be continued to the next available hearing date. We will post the subject property with notice for that hearing and will meet with OP and the ANC. We will file new plans and amend the application to reflect the changes to the building design and program. We will also file a new self-certification form to reflect the relief that will be required resulting from the amendment to the application

Thank you for your consideration in this matter. Let us know if you have any questions.

Very truly yours,

HOLLAND & KNIGHT LLP
