MEMORANDUM

TO: District of Columbia Board of Zoning Adjustment

FROM: Sam Zimbabwe 
Associate Director

DATE: December 2, 2014

SUBJECT: BZA Case No. 18877 – 15 Brown Court, S.E.

APPLICATION

Pursuant to 11 DCMR §§3103.2 Jessica Crane, the Applicant, seeks a variance from the lot occupancy (§403) and nonconforming structure requirements (§§2001.3) to allow an addition to an existing one-family semi-detached dwelling in the R-4 District at premises 15 Brown Court, S.E. (Square 870, Lot 853)

RECOMMENDATION

The District Department of Transportation (DDOT) has reviewed the Applicant's request and determined, based on the information provided, the proposal will have no adverse impacts on the travel conditions of the District's transportation network. DDOT has no objection to the approval of the requested variance.

This review pertains only to zoning issues and does not consider potential impacts to District owned public space. DDOT's lack of objection to the zoning variance should not be viewed as an approval of public space elements. If any portion of the project has elements in the public space requiring approval, the Applicant is required to pursue a public space permit through DDOT's permitting process. The Applicant may refer to the District of Columbia Municipal Regulations and DDOT's Design and Engineering Manual for specific controls of public space. A summary can be found in DDOT's Public Realm Design Manual.
