RE: BZA APPLICATION NUMBER 18879
2804 34th Place NW (Square 1941, Lot 46)

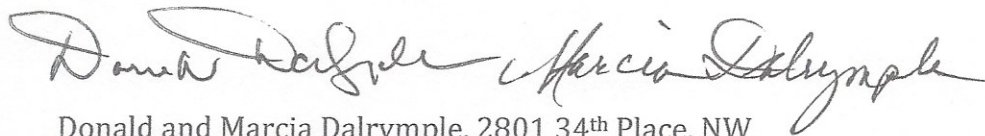

Dear Board of Zoning Adjustment Members:

We are writing to express our support the application of Farhad and Shahrzad Jalinous pursuant to 11 DCMR section 3104.1 for a special exception under section 223 to allow additions to an existing one-family dwelling to widen an existing garage. The garage is accessed by an alley and is part of the principal structure and, thereby, does not meet the rear yard requirements under section 404, in the R-1-B District at the premises.

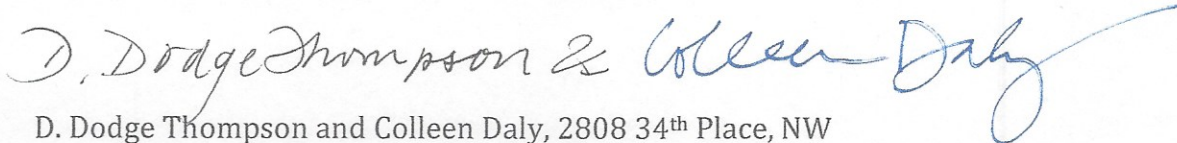

The following neighbors strongly support application 18879 to allow additions to the existing one-family dwelling to widen the current garage.

Thank you for consideration of our views.

Sincerely,

Donald and Marcia Dalrymple, 2801 34th Place, NW
