Dear Chairman Hood, Vice-Chairman Cohen, and Commissioners:

On Wednesday, November 12th, I spoke at a well-attended monthly meeting of the Woodley Park Citizens Association. At that meeting, there was an extensive discussion regarding the variance application by a restaurant to locate in the area despite the current restaurant cap. I was very impressed by the discussion and note that the vote against the cap was quite lopsided.

I write now to request that the commission give due deference to the wishes expressed by the community association.

Thank you very much.

Sincerely,

Mary M. Cheh
