Subject: SUPPORT: WP Restaurant Cap and Nando's

Dear Lee Brian.

I cannot attend night's ANC meeting, however, I support Nando's coming into Woodley Park. I understand the commercial overlay cap would increase beyond 25% and that is okay. This cap was established many years ago and is outdated. The community needs additional dining options instead of the current restaurants that cater to the convention neighborhood hotels. Please accept this email in support of increasing the cap and for the approval of Nando's application.

Vote "yes" for Nando's.

Thank you,

Penny Weaver
