

To Whom It May Concern,

Case 18881

My name is Marthe Norbury. I have lived in Woodley Park on and off since 1963.

I am writing to oppose the increase in the Overlay Cap on restaurants in Woodley Park. The Overlay has worked well for Woodley Park for decades, and has ensured the existence of a variety of retail establishments. I would hope the Zoning Board would keep what has served us so well these many years.

Thank you.
