RE: Nando's of Woodley Park, LLC
2631 Connecticut Avenue, NW;
Relief Type: Variance, Special Exception
Case No. 18881

Dear Chairman Jordan and Members of the Board:

The businesses listed on the attached Woodley Park Business petition, all of whom – do business within the Woodley Park community - join ANC 3C in their support of the above-referenced Board of Zoning Adjustment application as meeting the test for zoning relief.

Our grounds for support are:

1. Enhance economic development with the Woodley Park community
2. Increase foot traffic for all businesses along Connecticut Avenue, NW in Woodley Park
3. Nando's is an attractive, family-friendly and much-desired dining option for Woodley Park
4. Nando's will function as a restaurant and not the typical "fast food" establishment.
5. An exception to 25% cap on eating establishments is appropriate in this specific case.

In addition, the businesses on the attached petition have designated Commissioner Lee Brian Reba, for Single Member District 3C01, to represent them and our combined interests in any matters before the Board of Zoning Adjustment. The signatures below are either owners and/or authorized representative of said business.

Sincerely,

Lee Brian Reba
