Subject: request for evidence for your claim to ownership of a portion of 1351 Wisconsin Ave. N.W.

Dear Mr. Junker, Mulder, Gallagher and Adams,

As per BZA requirements articulated on January 5, 2015 by the BZA Chairman for BZA case application 18884, both parties are to provide to the other all evidence substantiating their claim to ownership of all or any portion of 1351 Wisconsin Ave. Specifically you are to provide to me evidence for the claim by Thomas Adam to partial ownership of the property known as lot 811 sq. 1243 by February 12, 2015. I will be forwarding to you on or before February 12, 2015 documents substantiating both my ownership, showing that the property has clear title and that lot 806 sq. 1243 purchased by Mr. Adams does not contain any portion of lot 811 sq. 1243.

Upon receiving evidence by February 12, 2015 from each party, the other party will have until February 16 to rebut claims.

Sincerely,
Robert Bell
