Re: BZA Application No. 18886
(Request for Special Relief for 2709
36th St NW)

Dear Board Members,

My wife and I live at 2607 36th Pl NW, Washington, DC. We bought this house in May 1975 and have lived happily in this tranquil neighborhood for nearly 40 years. We are also members of the Massachusetts Avenue Heights Citizens Association (MACHA). We support and endorse both the position of MACHA on the request for special relief and ANC 3C Resolution No. 2014-04, adopted December 15, 2014.

We are pleased that there is so much activity in improving real estate in the District but to preserve the special character of the District, development must take place within the framework of the zoning regulations and not in disregard thereof.

Respectfully submitted,
