Re: Letter in Support of BZA Application No. 18891- 14th & H Street, NE

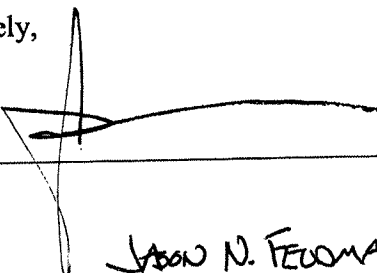

Dear Chairperson Jordan and Members of the Board:

I operate a business located near the intersection of H Street and 14th Street NE. I am writing to express my support for the application for zoning relief at 1401 Florida Avenue NE and 1402, 1404, 1406 and 1410 H Street NE to allow the Applicant to construct a multifamily residential building with ground floor retail. I urge the Board to approve the application as proposed.

The plans for the Applicant's proposed project have been explained to me. The proposed project, and the additional residents that will be living in the vicinity, will be a benefit to my business and the nearby community. The project is complimentary to other projects in our immediate vicinity, and will not visually intrude upon the character, scale, or pattern of the houses in our neighborhood.

Thank you for the opportunity to provide feedback.

Sincerely,
