

GOVERNMENT OF THE DISTRICT OF COLUMBIA  
DEPARTMENT OF TRANSPORTATION

d. Policy, Planning and Sustainability Administration

**MEMORANDUM**

**TO:** District of Columbia Board of Zoning Adjustment

**FROM:** Sam Zimbabwe  
Associate Director 

**DATE:** December 10, 2014

**SUBJECT:** BZA Case No. 18895 – 1107 Penn Street, N.E. (Square 4059, Lot 800)

---

**APPLICATION**

Pursuant to 11 DCMR §§3104.1 James Walker Jr. (the Applicant) seeks a special exception under §223 from the lot occupancy (§§403.2) and rear yard (§§404.1) requirements to allow construction of a new rear deck in the R-3 District at premises 1107 Penn Street, N.E. (Square 4059, Lot 800)

**RECOMMENDATION**

The District Department of Transportation (DDOT) has reviewed the Applicant's request and determined, based on the information provided, the proposal will have no adverse impacts on the travel conditions of the District's transportation network. DDOT has no objection to the approval of the requested special exception.

This review pertains only to zoning issues and does not consider potential impacts to District owned public space. DDOT's lack of objection to the zoning special exception should not be viewed as an approval of public space elements. If any portion of the project has elements in the public space requiring approval, the Applicant is required to pursue a public space permit through DDOT's permitting process. The Applicant may refer to the District of Columbia Municipal Regulations and DDOT's Design and Engineering Manual for specific controls of public space. A summary can be found in DDOT's Public Realm Design Manual.
