Re: Board of Zoning Adjustment
Application for Special Exception
Application Number 18900
Associates for Ideal Education

Ladies and Gentlemen:

Associates for Ideal Education, trading as Academy for Ideal Education (“AIE”), respectfully requests a postponement to March 17, 2015, of the public hearing, currently scheduled for January 13, 2015, before the Board of Zoning Adjustment (“BZA”) in connection with the above-captioned application. Shortly after the application was filed with the BZA, AIE representatives met with Advisory Neighborhood Commissioner Janis D. Hazel (SMD 7D05), who identified several civic associations, community groups and interested parties with whom the AIE representatives should meet prior to a presentation to ANC 7D. The holiday schedule in November and December 2014 frustrated AIE’s plans to meet with the organizations identified by Commissioner Hazel and has not yet allowed AIE to make a presentation to ANC 7D.

I will appreciate your attention to the foregoing request. Please contact me if you have any questions.

Sincerely,
