

Resume

**Charles Greenberg, RA, LEED AP
Principal**

Mr. Greenberg has diversified experience in providing project management and design for a wide variety of projects. He also has extensive construction management experience in the field, providing strategic leadership in the development and implementation of highly successful projects.

A principal of the firm since 2004, with EDG Architects since 1996 and also from 1988 to 1990, Mr. Greenberg has been involved in residential projects from design through the completion of construction including rehabilitative housing, multi-family housing and other related architectural projects such as mixed-use projects. He has integrated "green design" into the projects and facilitated Green Charrettes on a consulting basis.

Mr. Greenberg received a Bachelor of Architecture degree from the University of Oklahoma in 1966 and from Central University in Caracas, Venezuela in 1974. He worked for a Washington D.C. Architectural/ Engineering firm prior to EDG Architects. Mr. Greenberg also resided and worked professionally in both Venezuela and the U.S. Virgin Islands providing design and construction management for residential, commercial and governmental projects there.
