Re: BZA Application for Approval of a Variance for
Property at 1811 Wiltberger Street, NW (Square 441, Lot 87)

Dear Board of Zoning Adjustment:

I am the next door neighbor at 1809 Wiltberger Street NW. My neighbors David Ruddy and Bondurant Eley of 1811 Wiltberger Street NW are seeking an area variance as to the District of Columbia zoning regulations to build a third floor addition on their existing two story row house. They have shared the drawings of the proposed addition that will be submitted with their application to the BZA.

I have reviewed the materials and support the proposed addition. I recommend that BZA grant the request for a variance.

Sincerely,
