To: Board of Zoning Adjustment

From: Gay Hardwick, Hardwick Studio, PLLC

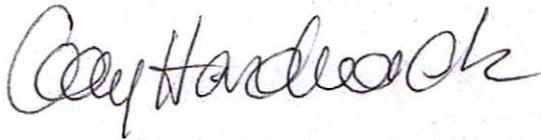

Re: BZA Case #18910

Dear Mr. Varga,

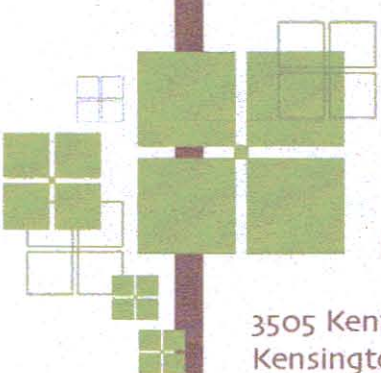

On behalf of my clients Lilia Browning and Matt Cohen, we would like to withdraw our request for zoning relief for the project at 2719 Ontario Road, NW. The applicants will be moving from the house and therefore will not need a building permit for their current home on Ontario Road.

Thank you for help with this matter.

Sincerely,

Gay Hardwick
