

Petition to Approve/Pass Variances and Special Exemption #18912

For the conversion of the Micro Market, current commercial property at 2007 1st NW Washington DC to a three story home with basement apartment. Michael and Dana Pietsch have shown me the proposed plans, drawings and rendering. They have discussed the proposed project and what the variances and special exemption will allow them to do. By signing the below, I support passing this request (#18912).
