RE: 240 9th Street NE proposed garage addition and special exemption for lot coverage

Dear ANC 6A Member,

Our neighbor John Peters has shared with us his plans to rebuild his garage and add a second story at the rear of his property line. We have no objections to the garage/addition or the height special exemption.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jesse Heier', with a long horizontal stroke extending to the right.

Jesse Heier
240 9th Street NE
Washington DC 20002
