EXHIBIT NO.31

Hi Bloomingdale Neighbor!

My name is Jaime, both Charles and I bought Ada Babino's home in May 2014. We are currently renovating the house and are seeking your support to allow us to extend our attic space by a total of 3 ft. higher.

Although we are allowed to build a third floor (under current R4 zoning), we require Board of Zoning (BZA) approval, due to the fact that the building is already a non-conforming structure exceeding the lot occupancy regulation of 60%.

We would love to meet you on Saturday, January 17th, from 12-2pm. We are planning to have some appetizers and refreshments.
