“St. John’s College High School BZA application 18929: Commissioner Tuck-Garfield introduced St. John’s president Jeffrey Mancabelli and Matthew Bell from architects Holland and Knight represented St. John’s. Mr. Mancabelli reviewed the proposed work to be done at St. John’s which includes classroom updates, a fine arts classroom, a glass enclosed exterior walkway, a band room renovation and a boiler room/storage room renovation. The plans have already been shared with immediate neighbors of St. John’s.

Mr. Mancabelli stated no work crews will park on the street as there is plenty of on-site parking. Work will not commence before 7 am and will end prior to 7 pm Monday through Saturday.

The work will take approximately 18 months.

All construction traffic will use the Oregon Avenue entrance/exit. No construction traffic will use 27th Street.

The area will undergo landscaping upon completion of the project.

Mr. Mancabelli will be the contact person for all neighbor issues and complaints.

The BZA application was approved by the ANC by a vote of 5 – 0.”
