I have reviewed the plans and it is actually very nice, so I don't have any problems with signing off on an agreement/approval.

Best of Luck

Re: BZA Application of Wallis McClain
1102 Park Street NE

Dear Board of Zoning Adjustment:

I am the adjacent property owner at 1104 Park Street NE. My neighbor Wallis McClain is seeking zoning relief from the District of Columbia zoning laws to build a rear addition and expand his existing garage. He has shared the drawings of the proposed work.

I have reviewed the materials and support the proposed additions. I recommend that BZA grant the request for a special exception.

Sincerely,
