Board of Zoning Adjustment
c/o DC Office of Planning
1100 4th Street SW, Suite 600
Washington, DC

Dear Members of the Board of Zoning Adjustment:

As the neighbor directly across the street from, the Johnson residence at 3318 Fessenden Street NW, I am writing to affirm that I have no objection to the renovations proposed for that property.

The Johnsons are not proposing to change the footprint of their house; they are proposing to make changes similar to changes already made by their neighbors in similar houses on the block, adding a space above their current garage and library. Indeed, I am surprised that such a change should require any review by the Board.

Without hesitation, I urge you to approve their request to proceed with their proposed remodeling plans. Please feel free to contact me at 202-363-0109 if you have any questions about my position on this.

Sincerely,

Ann I. Schneider
