Subject: Home Remodeling

November 26, 2014

Dear Mr. and Mrs. Johnson;

On behalf of the Brandeis Court Homeowners Association (BCHA), I thank you for your recent email in which you shared your plans to remodel your home.

Each of our eight homeowners has received a copy of your email. No one has expressed any objection to the plans. If you are required to get a variance or exception, we will be happy to support your request.

In the meantime, would you let me know whether you have a completion date for the work?

If you should wish to correspond directly with the three homeowners whose properties face yours, please see the contact information below.

We wish you the very best with your project!

Sincerely yours,
Maureen Bunyan
President BCHA
