Re: BZA Application No. 18941
(3318 Fessenden St., N.W.)

Dear Board of Zoning Adjustment:

I am delighted to submit this letter in support of the request for a special exception pursuant to 223.1 that has been submitted by Patty and Tom Johnson. The Johnsons seek approval for a second floor addition to their residence at 3318 Fessenden St., N.W. I fully support the Johnsons' application for a special exception and urge expedient approval.

The Johnsons have owned and lived in their home for many years, and they have a long history with this neighborhood and community. I live across the street from the Johnsons at 3315 Fessenden St., and I can attest that they have always been warm and thoughtful neighbors and community members. The Johnsons have made their architect's drawings available to myself and the rest of our neighbors, and, not surprisingly, they have obtained unqualified supporting signatures of every family within 200 yards of their property on all sides.

Again, I fully support the Johnsons' application, and I hope that it will be approved at the first available opportunity.

Sincerely,

A handwritten signature in black ink, appearing to read "M. Elaine Horn", followed by a horizontal line.

M. Elaine Horn
