Subject: We got ANC approval tonight!

Dearest neighbors,

Thanks to all of you, tonight FINALLY we received approval from the ANC to go ahead with our building project. In fact, our ANC commissioner was a bit apologetic that we had to jump through so many hoops. Dear Ann Schneider came and verbally spoke on our behalf – and she, along with Merry and Brian Anderson and Elaine Horn wrote letters in support of our building project. So, finally we can proceed. You have been the best!!!!

I share this as many of you have asked about the status (as well as some neighbors wondering if we were applying to open a bar! Sorry, the answer is “no”.) Our BZA Hearing is next Tuesday, the 24th and if we jump through that hurdle (and we should be able to do so) we will begin getting final drawings and bids, and then building permits, etc. So it will still be from three to six months or more before you see any sign of progress here. Don’t hesitate to ask if you have any questions – or wish to see updated drawings. And feel free to stop by for a glass of wine – even though we aren’t opening a bar!

With gratitude for great neighbors, Patty and Tom
