Subject: Burden of Proof

May of this year (2014) I had surgery for Pelvis Prolapse. For several days, after coming Home from the hospital, I was unable to come downstairs for food and water. 13 steps down and 13 steps back up was against Dr. instructions. As I grow older, there maybe another time when I will be unable to get down for food and other needs. This will not be so with the Added Room to the rear of our Home.

Sincerely,

A handwritten signature in black ink that reads "Gertha M. Davis Jones". The signature is written in a cursive style with a large, flowing "G" and "J".
