RE: Special Exception Request for 710 A Street, NE

Dear ANC 6C member,

Our neighbor Henry and Katie Van Dyck have shared with us their plans add a second story to their existing 1st floor kitchen. We understand this requires extending a typical non conforming open court condition. We have no objections to these plans and support their request for the needed zoning relief.

Sincerely,

A handwritten signature in black ink, appearing to read "Sherry J. Saunders & Joseph M. Rees". The signature is fluid and cursive, with the names joined together.
