Mr. Lloyd Jordan
Chairman
DC Board of Zoning Adjustment
441 4th Street, NW
Washington, D.C. 20001

Dear Sir,

I totally oppose the zoning variation application for the 7100 Blair Rd. single family home. I have lived a block away at 517 Cedar Street, NW for 47 years and have seen many attempts by outsiders to change the character of the neighborhood, generally for their own gain. As the neighborhood has rallied against such efforts, we have usually prevailed.

Our neighborhood was designated as a Historic District several decades ago, and we have all proudly followed the historic preservation rules. Therefore it is for the interest of the community to deny this application and not set a precedent for any such zoning changes that would most certainly follow if this one is approved.

Sincerely Yours,

Maija L. Hay
