

Efforts Made to Apprise the Affected ANC Commission and Property Owners

An email was sent to the ANC Commissioner, Ms. Elizabeth Travers in 7F06 apprising her of the application for special exception to obtain a certificate of occupancy for the second floor of the building for use as an office by a non-profit organization. A meeting was requested to discuss the application

I have not received a response to date. Another attempt will be made to communicate with the commissioner via email and phone.

A letter was mailed by USPS to the six property owners that are within a 200foot distance from the property notifying them of the application for a special exception to use the second floor as an office for a nonprofit. Photos of the proposed office space were enclosed along with a self-addressed return envelope for comments and approval.
