STATEMENT OF INTENDED USE

Re: 508 Rhode Island Avenue NW

The property of reference which is the subject of an application variance before the Board of Zoning Adjustment is currently improved by a row building with last known history of use or occupancy wholly as a commercial Beauty Salon.

The intended use is to convert for purposes of occupancy as a three-unit apartment house. The applicant contemplates no addition to the envelope of the existing building and proposes to establish the intended use by interior reconfiguration and alteration and repair of the existing building

Respectfully
