Re: 3220 Prospect St NW, BZA Application No. 18977

Dear Chairperson Jordan and Members of the Board:

Advisory Neighborhood Commission 2E, at a public meeting held on March 30, 2015, duly noticed, and at which eight commissioners of eight were present constituting a quorum, unanimously adopted the following resolution:

ANC 2E endorses the BZA variance as requested. We endorse proposal #3 by DDOT that plans a loading zone that is 120 feet, and eliminates the present loading zone east on Prospect Street NW near Wisconsin Avenue. This is the same proposal that is also the choice of the Citizens Association of Georgetown.

We trust that you will give this resolution its full weight. Thank you for your consideration of our position in this matter.

Sincerely,

Ron Lewis
Chair, ANC 2E

COMMISSIONERS:

Ed Solomon, District 1 Ron Lewis, District 2 Jeff Jones, District 3 Craig Cassey, Jr., District 4
Bill Starrels, District 5 Tom Birch, District 6 Ellen Steury, District 7 Dennis Quinn, District 8
