Re: 400 K Street NE BZA No. 18973. Request for Continuance.

The public hearing for an application for a variance for property of reference above was originally scheduled for April 21, 2015. In response to applicant's first request for continuance, the Board continued the hearing for June 23, 2015.

The applicant wishes to request, by this letter, a second continuance to better structure the application, including working with the ANC and the Office of Planning in the hopes of extracting support of the application

The applicant respectfully requests continuance of the scheduled hearing for the next available date as the Board's calendar will accommodate.

The additional time is compelled in order to:

1. Work with the affected ANC and neighbors to enable the applicant earn the support of the application by providing additional information to augment the Statement of Burden of Proof;
2. Revise the Statement of Burden of Proof in light of Office of Planning's (OP) opinion informed by consultation with the Zoning Administrator's office that the carriage house is deemed a dwelling unit rather than an artist studio, as configured;

The applicant respectfully requests that a continuance be granted for the foregoing reasons.

Thank you in advance of your consideration.

Sincerely
